

## Program Overview • Aperçu du Programme

| <b>Time</b> | <b>Session</b>  | <b>Room</b> |
|-------------|---|-------------|
| 8:45-9:30   | Registration and Refreshments   | EITC atrium |
| 9:30-9:40   | Welcome Session with SSC President Address  | E3-270      |
| 9:40-9:55   | Sponsor Talk I: CANSSI  | E3-270      |
| 10:00-10:45 | Scientific Presentations I  |             |
|             | Biostatistics applications and Causal Inference                                   | E2-125      |
|             | Methodological advancements in Measurement Error                                  | E2-130      |
|             | Longitudinal Data and Multistate Models   | E2-150      |
| 10:50-11:20 | Time Series Analysis  | E2-155      |
|             | Scientific Presentations II   |             |
|             | Statistical learning and classification I   | E2-125      |
|             | Statistical learning and classification II: Methods in Multi-Label Classification | E2-130      |
| 11:25-12:15 | Stochastic Processes and Probability Theory                                       | E2-150      |
|             | Sports Analytics  | E2-155      |
|             | Invited Career Speakers Session   | E3-270      |
| 12:15-1:15  | Lunch (Provided)  |             |
|             | Networking Activity   | TBD         |
| 1:15-2:35   | Workshop  | E3-270      |
| 2:40-3:30   | Skills session  | E3-270      |
| 3:30-4:30   | Poster Session and Refreshments   | EITC atrium |
| 4:30-5:15   | Keynote Address   | E3-270      |
| 5:15-5:25   | Sponsor Talk II: SAS  | E3-270      |
| 5:25-5:40   | Awards and Closing Remarks  | E3-270      |

Note: All activities will take place at the Engineering and Information Technology Complex (EITC)
