

SSC 2021 Recruiter's Package

The SSC2021 Virtual Annual Meeting will be holding a Job Fair June 7 – 11, 2021. The meeting runs 11 a.m. – 5 p.m. EDT each day.

As part of the Recruiter Package, recruiters will be able to talk in one-on-one private meetings with undergraduate students, graduate students, postdocs, and early career researchers in the statistical sciences, including data science, actuarial science, biostatistics, business statistics, and survey methods. Specific 1.5 hour time blocks during the period June 7 – 11 will be available to meet with interested parties seeking information about co-ops, contract, part-time, and full-time work and all recruiters will be assigned to two of these time blocks each. All packages include the ability for recruiters to have two (2) representatives available to meet individually with job candidates and to "attend" the SSC Meeting events. All recruiters will have the ability to customize their own webpage for the conference to include their logo, information about their organization and about positions available. Recruiters and their logos will also be featured on the SSC2021 Conference site.

The following are the costs for the packages available to recruiters:

- Private Sector: \$750
- Government Agencies/Universities: \$600
- SSC Institutional Members: \$500
- Annual Meeting Registered SSC Individual Members: \$100

In order to be listed as part of the Job Fair and get access to the site to prepare your webpage, we will as view the conference details, please confirm your wish to recruit at SSC2021 by sending an email with the Subject: SSC Recruiting to ed@ssc.ca no later than May 15, 2021.

Should you wish to include additional representatives beyond the two included in the package or to have more than 2 assigned time blocks, please contact ed@ssc.ca asap for information on additional costing.
