Community About

SSC NEWS: MARY THOMPSON NAMED TO ORDER OF CANADA

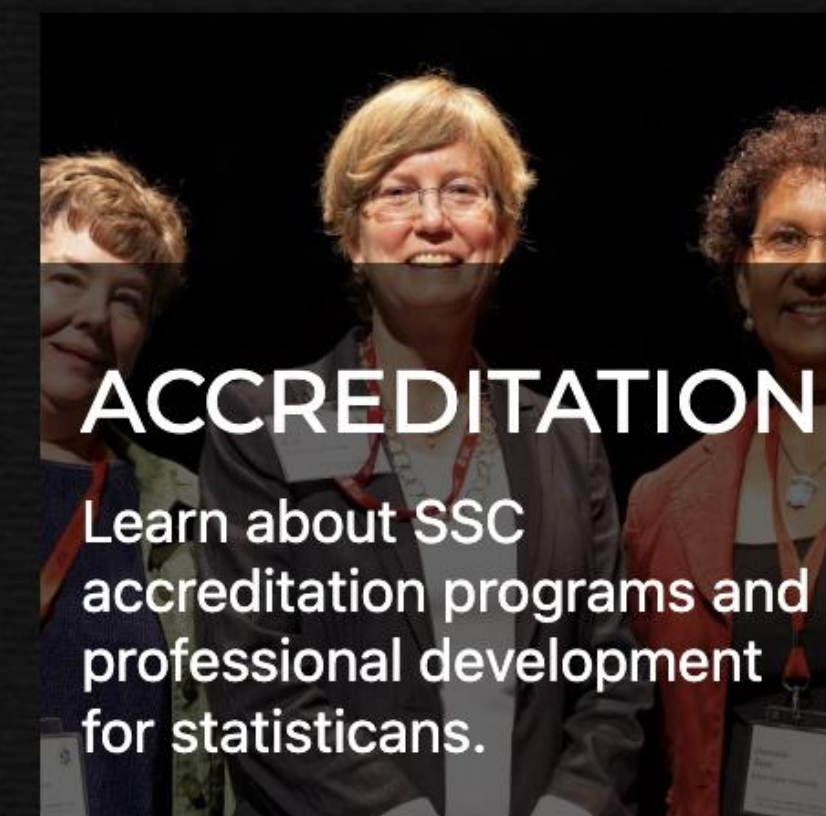

MEETINGS

Every year the SSC holds its Annual Meeting in a major Canadian city –ranging from St John's to Victoria. Statisticians from Canada and around the world meet to network, attend professional development sessions and listen to experts who are leading in their field.

MEMBERSHIP

Learn about the benefits of becoming a SSC member.

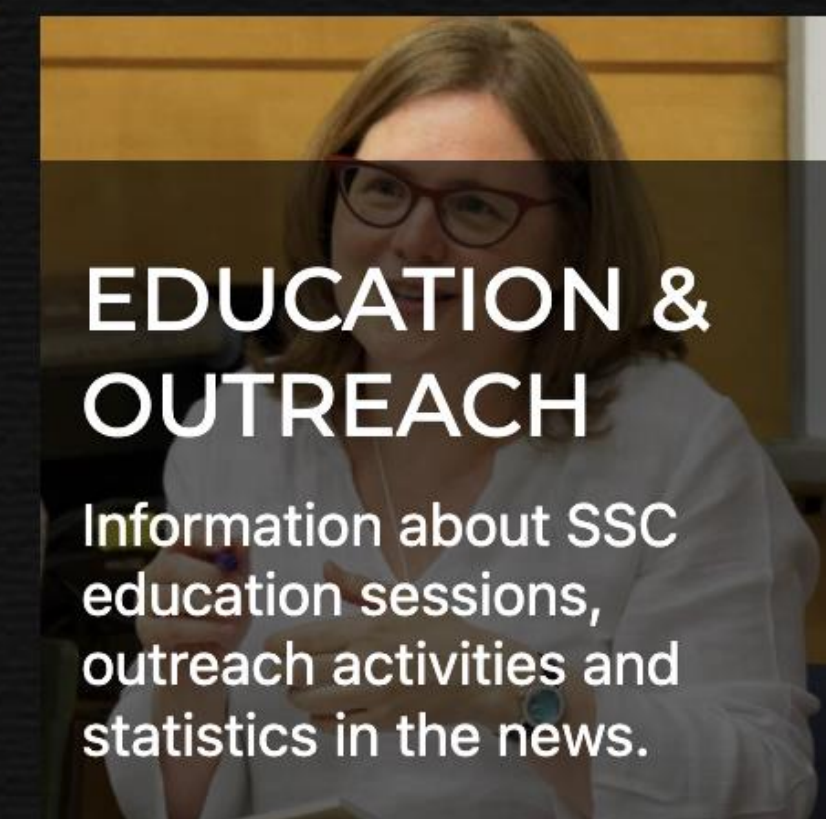

ACCREDITATION

Learn about SSC accreditation programs and professional development for statisticians.

PUBLICATIONS & RESOURCES

The SSC produces a variety of publications and provides resources related to statistics.

EDUCATION & OUTREACH

Information about SSC education sessions, outreach activities and statistics in the news.

Sections Groupes

Actuarial Science / Science actuarielle

The 2026 Canadian Journal of Statistics Award Prix de La revue canadienne de statistique 2026

Meixi Chen, Reza Ramezan, Martin Lysy

“Fast and scalable inference for spatial extreme value models”, *The Canadian Journal of Statistics* 2025, 53(2), e11829.

The article entitled “Fast and scalable inference for spatial extreme value models” by Meixi Chen, Reza Ramezan, and Martin Lysy is recognized for its clear presentation of an important methodological advancement in spatial extreme value analysis.
